

Yujin Robot iCLEBO Arte Side Sweeper Replacement

Follow this guide to replace the side sweepers for your Yujin Robot iCLEBO Arte.

Written By: Trent Bingel

INTRODUCTION

This guide will instruct you on how to replace/clean your side sweepers.

TOOLS:

- [iFixit Opening Tools](#) (2)

PARTS:

- [Yujin Robot iCLEBO Arte Side Sweeper](#) (1)

Step 1 — Side Sweeper

- Grab the sweeper and carefully pry the side sweeper from the chassis.

⚠ Sweepers are fragile, handle with care.

Step 2

- Remove any unwanted dust and hair from the shaft and sweeper.

To reassemble your device, follow these instructions in reverse order.
